
SUBHANAGAM DEY | WEB DEVELOPER

+91 7002138853| deysubhangam@gmail.com

MY DEVELOPMENT JOURNEY

I am a coding enthusiast with primary interest in Full Stack Web Development and is also interested in learning new things and technologies through reading. Additionally, I am very good at teamwork and communication as I have been on vital positions in important university clubs along with winning and participating in various school competitions.

CORE COMPETENCIES

- ✓ Markup Languages like HTML
- ✓ Code structure & architecture
- ✓ CSS, Advanced JavaScript
- ✓ Front-end & back-end web development
- ✓ CCS Framework like Twitter Bootstrap
- ✓ Node.js, Express.js, React.js
- ✓ Git and Github
- ✓ npm and command prompt.
